

Frequently Asked Questions

Q: Do you repair machines that you did not sell?

A: Yes, we will gladly do these repairs.

Q: Do you service all types of power equipment?

A: No, we do not service every brand of power equipment, but we do service most.

Q: Are there free estimates available for my repair?

A: No, we do charge an estimate fee which will be applied to your repair total.

Q: Does your company provide pickup and delivery?

A: Yes, we do offer this service.

Q: Can repairs be done at my house?

A: No, we have found that the best way to have your machine fixed is to fix it at our shop. This gives our trained mechanics access to specialized tools which you could not bring to the site.

Q: What are acceptable forms of payment?

A: We accept cash, personal checks (with a valid driver's license as identification), and all major types of credit cards.
